| **Course Number, Title & Description** | **NFS 284 Basic Human Nutrition**  
An introductory course to provide the fundamentals of human nutrition to enable students to understand and think critically about the complex interrelationships between food, nutrition, health and environment. |
| Estimated Enrolment | 1020 students                                         |
| Estimated TA Support| 380 hours                                             |
| **Class Schedule**  | Online Asynchronous. This course is online and does not require attendance at a specific time for class activities. There are no in-person activities or assessments (e.g., exams). Lectures are to be posted for asynchronous viewing. This course requires 3 contact hours per week (lecture) and virtual office hours for students. |
| **Sessional Dates** | Jan 9 to April 28, 2023, inclusive except: Feb 20-24 (No class: February reading week) |
| Salary              | $8,490 - $9,302                                       |
| **Qualifications**  | Applicants should have a graduate degree (master’s or doctoral level) from nutrition or a nutrition-related discipline; teaching experience at the undergraduate level is an asset. |
| **Duties**          | Normal teaching duties, including online delivery: plans course content, provides lectures, sets assignments and examinations, trains and supports teaching assistants, and supports student learning; course materials from the previous instructor will be available. |
| **Application Procedure** | Electronic applications should be addressed to Dr. Ahmed El-Soehemy, Associate Chair (Undergraduate), Department of Nutritional Sciences and sent to dns.admin@utoronto.ca. Please use subject line: 2023-1-Sessional Lecturer Application and include the following documentation  
✓ Cover Letter  
✓ CUPE 3902 Unit 3 application form  
✓ Current Resume |

**Note:** This job is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

*It is understood that some announcements of vacancies are tentative, pending final course determinations and enrolment. Should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.*

*Preference in hiring is given to qualified individuals advanced to the rank of Sessional Lecturer II or Sessional Lecturer III in accordance with Article 14:12 of the CUPE 3902 Unit 3 collective agreement.*

*Please note: Undergraduate or graduate students and postdoctoral fellows of the University of Toronto are covered by the CUPE 3902 Unit 1 collective agreement rather than the Unit 3 collective agreement and should not apply for positions posted under the Unit 3 collective agreement.*
All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Diversity Statement

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ2S+ persons, and others who may contribute to the further diversification of ideas.

As part of your application, you will be asked to complete a brief Diversity Survey. This survey is voluntary. Any information directly related to you is confidential and cannot be accessed by search committees or human resources staff. Results will be aggregated for institutional planning purposes. For more information, please see http://uoft.me/UP.

Accessibility Statement

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission.

The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

If you require any accommodations at any point during the application and hiring process, please contact uoft.careers@utoronto.ca.
